

Perth crowd dig the **DUG** Christmas extravaganza

The Perth geophysical crowd had a chance to show their dance moves when one of the year's top social events, the DownUnder GeoSolutions Christmas party – with Team DUG celebrating a big 2014 in style.

The Who's Who of the industry gathered at Mounts Bay Sailing Club for a night of Motown music, soul food and big hair.

Following the sublime sounds of the Elle Deslandes Jazz Quartet, guests were blown away by Australian legend, James Morrison and his 11-piece Motown band.

Guests rocked and rolled the night away to a string of classic hits played by one of the world's greatest jazz musicians and his equally talented band members. »
