2014 was a big year for DUG. How big? This big, says Matt.

DownUnder Christmas Celebrations: Big and Brassy

13 Jan 2015

DownUnder GeoSolutions celebrated 2014 in style, once again, with one of their legendary client Christmas parties. Almost 400 people joined them at Mounts Bay Sailing Club for a night of Motown grooves.

Following the sublime sounds of the Elle Deslandes Jazz Quartet, guests were blown away by one of Australia's greatest musicians, James Morrison and his 11-piece Motown band.

All the usual ingredients of the famous DUG parties were there: pizza, wine, limos and wigs galore!
