

DUG NOMAD 10

Mobile, modular, engineered for resilience. The 10 ft Hi-Cube configuration is readily portable and rapidly deployable. **DUG Nomad 10** is a reliable, standalone HPC solution or is easily integrated with existing data-centre infrastructure.

SPECIFICATIONS

26RU of immersed hardware

40 kW IT heat rejection (higher capacities available)

44 x IEC13

24 x IEC19

Deployment mass 4500 kg

Supply power up to 150 kW, 415 V, 3 phase

DIMENSIONS

Length 2980 mm

Width 2438 mm

Height 2891 mm

FEATURES

Single-container solution with internal cooling infrastructure

DUG Cool: patented, single-phase, immersion-cooling technology

Two metered and remote-switch-capable power distribution units

Double-skinned tank with dual fluid-control modules (fully-sealed tank available)

IP67 Marechal DS9 Decontactor™ and extension lead

Quiet, efficient and sustainable operation

Compatible with a range of immersion fluids

User-friendly zone lighting, general purpose outlets and 240 kg powered hoist
