

# ROCK PHYSICS MULTI-CLIENT STUDIES

Ask us for details on our rock physics multi-client studies available. Or talk to us about any potential new studies of interest.

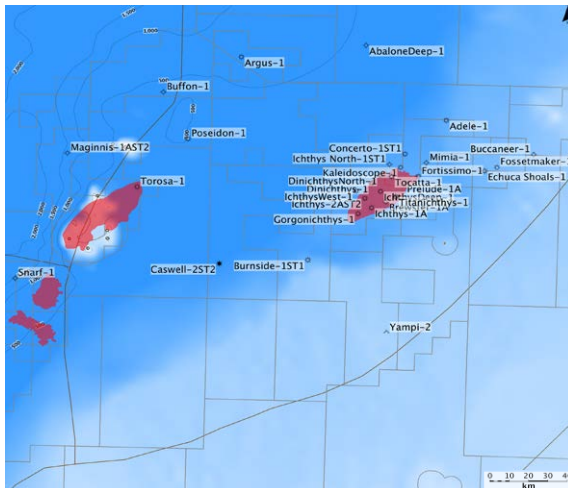

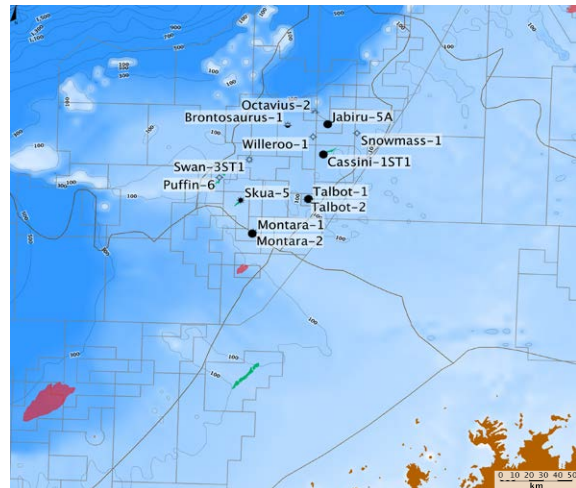

**SOUTHERN BROWSE BASIN MULTI-CLIENT STUDY**  
A petrophysics, rock physics and modelling study of 13 wells.

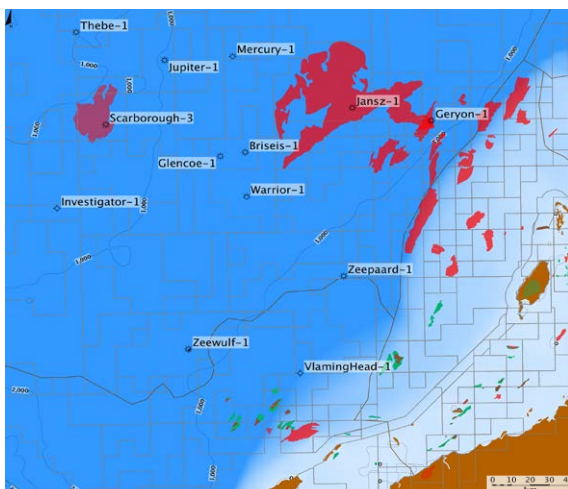

**MONODON MULTI-CLIENT STUDY**  
A petrophysics, rock physics and modelling study of 46 wells.

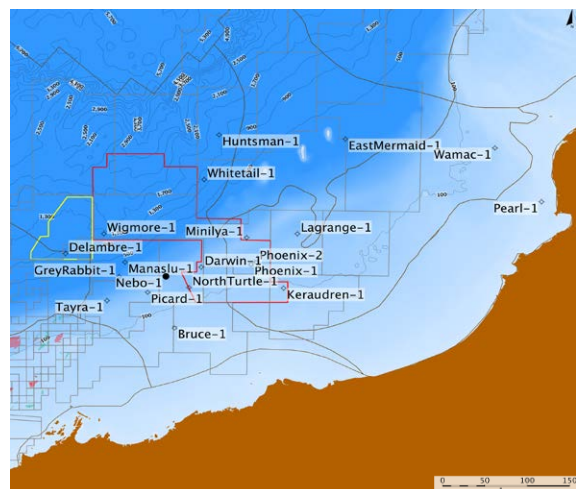

**CENTRAL BROWSE BASIN MULTI-CLIENT STUDY**  
A petrophysics, rock physics and modelling study of 30 wells.

**VULCAN SUB-BASIN MULTI-CLIENT STUDY**  
A petrophysics, rock physics and modelling study of 13 wells.

**EXMOUTH MULTI-CLIENT STUDY**  
A petrophysics, rock physics and modelling study of 13 wells.

**OFFSHORE CANNING BASIN MULTI-CLIENT STUDY**  
A petrophysics, rock physics and modelling study of 20 wells.
