The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. CORPORATE GOVERNANCE STATEMENT

The Board of DUG Technology Ltd ACN 169 944 334 (**DUG** or the **Company**) is committed to maximising performance, generating appropriate levels of shareholder value and financial returns, and sustaining the growth and success of DUG. With these objectives in mind, the Board is concerned to ensure that DUG is properly managed to protect and enhance shareholder interests and that DUG, its directors, officers and employees, operate in an appropriate environment of corporate governance. Accordingly, the Board has created a framework for managing DUG including adopting relevant internal controls, risk management processes and corporate governance policies and practices which it believes are appropriate for DUG's business and which are designed to promote the responsible management and conduct of DUG.

The ASX Corporate Governance Council has developed and released corporate governance recommendations for Australian listed entities (**ASX Recommendations**) in order to promote investor confidence and to assist companies to meet stakeholder expectations. The recommendations are not prescriptions, but guidelines. Under the ASX Listing Rules, DUG will be required to provide a statement in its annual report disclosing the extent to which it has followed the ASX Recommendations in the relevant reporting period. Where DUG does not follow a recommendation, it must identify the recommendation that has not been followed and give reasons for not doing so.

The ASX Corporate Governance Council recently released its 4th edition of the ASX Recommendations for Australian entities, which applies to DUG as an ASX listed entity. To promote good corporate governance and a strong understanding of these principles, DUG has prepared its corporate governance policies so as to be practically fully compliant with the 4th edition of the ASX Recommendations.

The main policies and practices adopted by DUG, which will apply to as an ASX listed entity are summarised below. In addition, many governance elements are contained in the Company's constitution.

Except as set out below, DUG does not anticipate that it will depart from the recommendations of the ASX Recommendations, however, it may do so in the future if it considers that such a departure would be reasonable or appropriate.

Copies of DUG's key policies and practices and the charters for the Board and each of its committees are available at www.dug.com.

Recommendations (4th edition)	Comply	Explanation

1.4	Yes	DUG's Company Secretary is accountable directly to the Board, through the Chairman on all matters to do with the proper functioning of the Board.

Recommendations (4th edition)	Comply	Explanation
