Dear Shareholder

Invitation to participate in Share Purchase Plan

On behalf of the Board of DUG Technology Ltd (ASX: DUG) ("**DUG**" or the "**Company**"), I am pleased to offer you the opportunity to participate in the DUG share purchase plan ("**SPP**") which was announced on 7 September 2021. The SPP provides you with an opportunity to acquire up to A\$30,000 worth of DUG's ordinary shares ("**SPP Shares**") without paying any brokerage costs, commissions or other transaction costs. DUG is targeting to raise up to approximately A\$5 million under the SPP. However, DUG may decide to accept applications (in whole or in part) that result in the SPP raising more or less than that target amount at its absolute discretion.

The SPP is part of a wider capital raising being undertaken by DUG. As announced on 7 September 2021 the Company received strong support via binding commitments to raise A\$15 million (before costs) in a two-tranche placement to eligible institutional, sophisticated and professional investors ("**Placement**"). The first tranche of the Placement is anticipated to be complete on 14 September 2021 and the second tranche is anticipated to complete on 20 October 2021, subject to shareholder approval.

Proceeds of the Placement and the SPP will be used for the following purposes:

- Military and Space business development;
- Renewable initiatives;
- Building a structure "Sales Areas" oriented global sales team;
- Purchasing computer equipment; and
- Working capital/debt repayment.

SPP Booklet

The SPP is subject to the terms and conditions set out in the SPP Booklet. A copy of the SPP Booklet was lodged with ASX today. The Company encourages you to carefully read the SPP Booklet in full before making your investment decision, noting that you will be bound by the terms and conditions in the SPP Booklet if you choose to participate.

A copy of the SPP Booklet, along with instructions on how to apply for the SPP and submit your payment, is available online at <https://dugspp.thereachagency.com/>

About the SPP

You may apply for SPP Shares in increments of A\$1,000 from the minimum A\$1,000 to a maximum of A\$30,000 (in aggregate) (subject to discretionary scale-back by the Company). All SPP Shares issued under the SPP will rank equally with existing Shares. If you apply for less than A\$1,000 of SPP Shares, the Company will not allot any SPP Shares to you and will refund your Application Monies.

If you decide to participate in the SPP, you will have the opportunity to increase your DUG shareholding at a price of A\$0.90 per Share, being the same price paid by institutional investors under the Placement announced on 7 September 2021.

Participation in the SPP is optional and is open to eligible shareholders who are registered holders of Shares on the Record Date (being 5.00pm WST on 6 September 2021) with a registered address on the register in Australia or New Zealand ("**Eligible Shareholders**"). Certain Eligible Shareholders who are custodians holding Shares on behalf of certain beneficiaries are also invited to participate in the SPP on the terms and conditions set out in the SPP Booklet.

Shareholders in the United States are not eligible to participate in the SPP. Similarly, Shareholders (including trustees, custodians and nominees) who hold Shares on behalf of persons in the United States, or are acting for the account or benefit of persons in the United States, are not eligible to participate in the SPP on behalf of those persons.

DUG will not issue new Shares to an applicant if those Shares, either alone or in conjunction with the issue of Shares under other applications received by DUG, would contravene any law or the ASX Listing Rules.

Important information regarding potential scale-back in the SPP

DUG is targeting to raise up to approximately A\$5 million under the SPP. However, DUG may decide to accept applications (in whole or in part) that result in the SPP raising more or less than that target amount at its absolute discretion.

A scale-back may be applied to the extent and in the manner the Company sees fit, which may include taking into account a number of factors, such as the size of an applicant's shareholding at the Record Date, the extent to which the applicant has sold or purchased shares since the Record Date, whether the applicant has multiple registered holdings, the date on which the application was made and the total applications received from eligible shareholders (subject to any minimum dollar allocation determined by DUG at its absolute discretion).

In the event of a scale-back, you may be allocated Shares to a value which is significantly less than the parcel for which you applied. Should this happen, the balance of any application monies not applied to acquire Shares under the SPP will be refunded to you, without interest.

How to apply

The SPP is subject to the terms and conditions set out in the SPP Booklet. A copy of the SPP Booklet, along with instructions on how to apply for the SPP and submit a payment by BPAY (for Eligible Shareholders with a registered address in Australia) is available online at <https://dugspp.thereachagency.com/> (you do not need to return an Application Form under this option).

If you are an Eligible Shareholder with a registered address in New Zealand, or an Eligible Shareholder with a registered address in Australia who is unable to pay by BPAY, please telephone the Information Line on 1300 850 505 (within Australia) or +61 3 9415 4000 (outside Australia) to obtain alternative payment instructions.

The SPP is scheduled to close on Wednesday, 13 October 2021, however, the Company reserves the right to close the offer early or extend the closing date. We must receive your application and payment by 5.00pm (WST) on Wednesday, 13 October 2021. The Company encourages Eligible Shareholders who wish to participate to act promptly in submitting their applications.

I encourage you to read the SPP Booklet carefully and in its entirety before making a decision on whether to participate in the SPP. You should be aware that the future market price of the Shares is uncertain and may rise or fall. This means the price you pay for Shares under the SPP may be either higher or lower than the Share price trading on the ASX at the time Shares are issued to you under the SPP.

Further questions

Shareholders who have any questions regarding the SPP should telephone the Information Line on 1300 850 505 (within Australia) or +61 3 9415 4000 (outside Australia).

Yours faithfully

Matthew Lamont Ph.D.
Managing Director

This document is not a product disclosure statement under New Zealand law and is not required to, and may not, contain all the information that a product disclosure statement under New Zealand law is required to contain.

3. Key SPP Information

You should read this section in conjunction with the terms and conditions of the SPP set out on page 7. Capitalised terms have the meaning provided in the glossary set out on page 15.

The SPP gives Eligible Shareholders the opportunity to subscribe for up to \$30,000 worth of SPP Shares at the Issue Price without incurring brokerage or other transaction costs.

4. Terms and Conditions of SPP

Important Notice: If you participate in the SPP by applying online and making payment by BPAY or completing and returning the Application Form and making payment by BPAY or EFT, you are accepting the risk that the market price of Shares may change between the opening date of the SPP Offer and the date that any Shares are allotted to you as a result of your acceptance of the SPP Offer. This means that, up to and/or after the Issue Date, you may be able to buy Shares on the ASX at a lower price or higher price (depending on the market price of Shares on the relevant day) than the Issue Price.

4.6 Number of SPP Shares to be issued

- (a) If you apply for SPP Shares, you will apply for a certain value, rather than a certain number, of SPP Shares. If your Application is accepted, the Company will divide the value of your Application Monies by the Issue Price in order to determine the number of SPP Shares that, subject to scale-back, will be issued to you.
- (b) If this calculation produces a fractional number, the number of SPP Shares issued will be rounded down to the nearest whole SPP Share.
