ITEMS OF BUSINESS

Item 1. Financial Statements and Reports

To receive and consider the Company’s Annual Report, Directors’ Report and Auditor’s Report for the financial year ended 30 June 2022.

Note: A Resolution of Shareholders is not required for this item of business.

Item 2. Resolution 1 – Adoption of Remuneration Report

To consider and, if thought fit, pass the following non-binding resolution as an **ordinary Resolution**:

“That, for the purposes of section 250R(2) of the Corporations Act, and for all other purposes, the Remuneration Report for the Company for the financial year ended 30 June 2022 be adopted.”

The vote on this Resolution is advisory only and does not bind the Directors or the Company. However please refer to the Explanatory Memorandum for an explanation of the consequences of 25% or more eligible votes being cast against this resolution.

Voting exclusion statement:

In accordance with the Corporations Act, a vote must not be cast (in any capacity) on Resolution 1 by or on behalf of a member of the Company’s Key Management Personnel (“**KMP**”), details of whose remuneration are included in the Remuneration Report for the Company or a Closely Related Party of such a member.

However, under the Corporations Act, this voting exclusion does not apply to a vote if:

- it is cast by a person as a proxy appointed in writing by a person entitled to vote that specifies how the proxy is to vote on Resolution 1; or
- it is cast by the person chairing the meeting as proxy for a person who is entitled to vote as an undirected proxy that expressly authorises the Chairman to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the KMP.

If you intend to appoint a member of the KMP (such as one of the Directors) or a Closely Related Party of such a member as your proxy, please ensure that you direct them how to vote on Resolution 1. If you intend to appoint the Chairman of the Meeting as your proxy, you can direct him how to vote by marking the appropriate box in the Proxy Form for Resolution 1

(for example, if you wish to vote for, against, or abstain from voting), or you can choose not to mark any of the boxes for Resolution 1 and give the Chairman your express authority to vote your undirected proxy as he sees fit even though Resolution 1 is connected directly or indirectly with the remuneration of a member of the KMP (in which case, the Chairman will vote in favour of Resolution 1).

Item 3. Resolution 2 – Re-election of Mr Mark Puzey as a Director

To consider and, if thought fit, pass the following resolution as an **ordinary Resolution**:

“That, for the purposes of Listing Rule 14.4, and all other purposes, Mr Mark Puzey, who retires by rotation in accordance with Clause 49 of the Constitution of the Company, and being eligible for re-election, be re-elected as a Director of the Company.”

Item 4. Resolution 3 – Appointment of Auditor to Fill Vacancy

To consider and, if thought fit, pass the following resolution as an **ordinary Resolution**:

*“That, subject to the resignation of the current auditor of the Company, for the purposes of section 327B of the Corporations Act and for all other purposes, approval is given for Grant Thornton Audit Pty Ltd (“**Grant Thornton**”), having been nominated by a shareholder and given its consent in writing to act as auditor, to be appointed as auditor of the Company in accordance with the Corporations Act, with effect from the later of (a) the conclusion of this Meeting; or (b) the day on which ASIC gives its consent to the resignation of Ernst & Young as the current auditor of the Company.”*

Item 5. Resolution 4 – Modification of the Company’s Constitution

To consider and, if thought fit, pass the following resolution as a **special Resolution**:

“That, for the purpose of section 136(2) of the Corporations Act and for all other purposes, the Company’s Constitution be amended in the manner set out in the Explanatory Memorandum to this Notice of Annual General Meeting, with the amendments to take effect from the conclusion of the Meeting.”

Item 6. Resolution 5 – Approval to Issue Zero Exercise Price Options to Director – Dr Matthew Lamont (or his nominee)

To consider and, if thought fit, pass the following resolution as an **ordinary Resolution**:

“That, for the purposes of sections 200B and 200E of the Corporations Act, ASX Listing Rule 10.14 and for all other purposes, approval is given for the Company to issue 381,352 Zero Exercise Price Options to Dr Matthew Lamont (or his nominee) on the terms and conditions set out in the Explanatory Memorandum.”

Voting exclusion statement:

The Company will disregard any votes cast in favour of the Resolution by or on behalf of any person referred to in ASX Listing Rules 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the employee incentive scheme in question, and any of their respective associates.

However, this does not apply to a vote cast in favour of the Resolution by:

- a person as a proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with the directions given to the proxy or attorney to vote on the Resolution in that way; or
- the Chair as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the Resolution; and
 - the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

In accordance with section 250BD of the Corporations Act, a person appointed as a proxy must not vote, under that appointment, on this Resolution if:

- the proxy is either:
 - a member of the Key Management Personnel; or
 - a Closely Related Party of such a member; and
- the appointment does not specify the way the proxy is to vote on this Resolution.

The above prohibition does not apply if:

- the proxy is the Chair; and
- the appointment expressly authorises the Chair to exercise the proxy even if the Resolution is connected directly or indirectly with remuneration of a member of the Key Management Personnel.

Item 7. Resolution 6 – Approval of 10% Placement Facility

To consider and, if thought fit, pass the following resolution as a ***special Resolution***:

“That for the purposes of Listing Rule 7.1A and for all other purposes, Shareholders approve the issue of Equity Securities up to 10% of the issued capital of the Company (at the time of issue) calculated in accordance with the formula prescribed in Listing Rule 7.1A.2 on the terms and conditions in the Explanatory Memorandum.”

Voting exclusion statement:

The Company will disregard any votes cast in favour of this Resolution by or on behalf of any person who is expected to participate in, or who will obtain a material benefit as a result of the issue of Equity Securities under Listing Rule 7.1A (except a benefit solely in the capacity of a holder of ordinary securities in the entity) or an associate of that person or those persons.

However, this does not apply to a vote cast in favour of the Resolution by:

- a person as a proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with the directions given to the proxy or attorney to vote on the Resolution in that way; or

- the Chair as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
- the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the Resolution; and
- the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Note: as at the date of this Notice, it is not known who may participate in any Equity Securities issued under Resolution 6 and the Company has not approached any Shareholder or identified a class of existing Shareholder to participate in any issue of Equity Securities under the 10% Placement Capacity. Accordingly, no Shareholders are excluded from voting on Resolution 6.

Item 8. Other Business

To transact any other business that may be lawfully brought forward in accordance with the Constitution of the Company and the Corporations Act.

BY ORDER OF THE BOARD

Jacqueline Barry
Company Secretary
Dated: 24 October 2022

Voting and Proxies

1. Determination of Shareholding and Voting Entitlement

In accordance with Regulation 7.11.37 of the Corporations Regulations the Board has determined that a person's entitlement to vote at the Meeting will be the entitlement of that person set out in the register of members as at 4.00pm (AWST) on Tuesday, 22 November 2022.

Accordingly, transactions registered after that time will be disregarded in determining a Shareholder's entitlements to attend and vote at the Meeting.

2. Voting In-person During the Meeting

Eligible shareholders may attend the meeting and vote in person.

You may still attend the meeting and vote in person even if you have lodged a Proxy Form or appointed a proxy prior to the meeting. You will be provided with a poll voting card on the day. If you have previously submitted a Proxy Form and you vote during the meeting, your vote at the meeting will cancel your Proxy Form (unless you instruct DUG or Computershare otherwise) or suspend your proxy appointment while you are present at the meeting.

While you are not required to submit your Proxy Form if you attend the meeting in person, please bring your personalised Proxy Form with you as it will help you register your attendance at the meeting. If you do not bring your Proxy Form with you, you can still attend the meeting but representatives from Computershare will need to verify your identity.

3. Important Voting Information

All Resolutions will be conducted by Poll.

The Company encourages all Shareholders to submit a proxy and to direct that proxy how to vote on each Resolution.

The Chairman of the Annual General Meeting intends to vote all undirected proxies in favour of each Resolution subject to any voting restrictions and exclusions. However, the Chairman of the Meeting is not permitted to vote an undirected proxy on Resolution 1 (Remuneration Report) unless the proxy expressly authorises the Chairman to exercise the proxy on such Resolution even if it is connected directly or indirectly with the remuneration of a member of the Company's Key Management Personnel.

In respect of Resolutions 1 and 5, if you intend to appoint a member of the KMP (such as one of the Directors other than the Chairman) or a Closely Related Party of such a member as your proxy, please ensure that you direct them how to vote on that Resolution by marking the appropriate box for that Resolution in the Proxy Form.

If you intend to appoint the Chairman as your proxy for Resolutions 1 and 5, you can direct the Chairman how to vote by marking the appropriate box for that Resolution in the Proxy Form. Alternatively, in relation to the Chairman only, you can choose not to mark a box and give the Chairman your express authority to exercise your undirected proxy even if the Resolution concerned is connected directly or indirectly with the remuneration of a member of the KMP (in which case, as outlined above, the Chairman will vote in favour of Resolution 1 subject to any voting restrictions and exclusions).

If the Directors or another KMP (other than the Chairman) or a Closely Related Party is your proxy, and you fail to provide a voting direction as outlined above in Resolution 1 and 5, your vote will not be cast in respect of this Resolution.

4. Proxies

A Shareholder who is entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote on behalf of the Shareholder. Where the Shareholder is

entitled to cast 2 or more votes, the Shareholder may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise.

If the Shareholder appoints 2 proxies and the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, each proxy may exercise half of the votes (disregarding fractions).

A proxy need not be a Shareholder of the Company.

If an additional Proxy Form is required, the Company's share registry, Computershare Investor Services Pty Limited, will supply it on request. Telephone 1300 850 505 (toll free) from within Australia or +61 3 9415 4000 from overseas during business hours.

The Proxy Form contains important information and other instructions which you should read carefully.

Any instrument or proxy deposited or received by the Company in which the name of the appointee is not filled in will be deemed to be given in favour of the Chairman of the Meeting to which it relates.

Proxies given by corporate Shareholders must be executed in accordance with their constitution or signed by a duly authorised officer or attorney.

A proxy may decide whether to vote on any motion, except where the proxy is required by law or the constitution of the Company to vote, or abstain from voting, in their capacity as proxy. If a proxy is directed how to vote on an item of business, the proxy may vote on that item only in accordance with the direction. If a proxy is not directed how to vote on an item of business, the proxy may vote as he or she thinks fit (subject to the restrictions and exclusions outlined under "**Important Voting Information**" above).

To be effective, the instrument appointing a proxy (and a power of attorney or other authority, if any, under which it is signed or a certified copy of the power of attorney or other authority) must be received by the Company not less than 48 hours prior to the Annual General Meeting, that is, **by 4.00pm (AWST) on Tuesday 22 November 2022:**

- on-line by going to www.investorvote.com.au and logging in using the control number found or by scanning the QR Code, found on the front of your Proxy Form, with your mobile device and inserting your SRN/HIN and postcode; or
- at the Company's share registry, Computershare Investor Services Pty Limited, GPO Box 242, Melbourne VIC 3001, Australia or by facsimile on fax number 1800 783 447 (within Australia) or +61 3 9473 2555 (outside Australia).
- Intermediary online subscribers (Institutions/Custodians) may lodge their proxy instruction online by visiting www.intermediaryonline.com.

Any revocations or proxies must be received at one of these places before commencement of the Meeting.

5. **Bodies Corporate**

A Shareholder which is a body corporate and which is entitled to attend and vote at a Meeting of Shareholders of the Company may appoint an individual as a representative to exercise all or any of the powers the body corporate may exercise at the meeting or in the capacity of a Shareholder's proxy. The appointment may be a standing one. Unless otherwise specified in the appointment, the representative may exercise, on that body corporate's behalf, all of the powers that the body could exercise at a meeting or in voting on a resolution. Shareholders can download and fill out the 'Appointment of Corporate Representative' form from the Computershare website: <https://www-au.computershare.com/Investor/>.

The form is available by clicking on the 'Printable Forms' tab on the information menu.

To be effective, evidence of the appointment must be returned in the same manner and by the same time as specified for proxy appointments (above).

6. Definitions

Certain terms used in this Notice of Annual General Meeting and Explanatory Memorandum are defined in the “Definitions” section of the Explanatory Memorandum. Those defined terms also apply to the enclosed Proxy Form, unless the context requires otherwise.

The results of the voting on resolutions will be announced to the ASX promptly after the meeting.

Questions

We invite shareholders to submit questions in advance of the meeting. If you wish to submit questions before the AGM, they must be received by DUG no later than 4.00pm (AWST) on Tuesday 22 November 2022 by email to the Company Secretary at investor@dug.com.

The Explanatory Memorandum is incorporated in, and forms part of, the accompanying Notice of Annual General Meeting. The purpose of this Explanatory Memorandum is to provide Shareholders with information relevant to the Resolutions to be put to Shareholders at the Annual General Meeting.

Certain terms used in this Explanatory Memorandum, the Notice of Meeting and the Proxy Form have the meaning give to them in the “Definitions” section located at the end of this Explanatory Memorandum unless the context requires otherwise.

Details of the items of business to be considered at the Annual General Meeting are set out below and in the Notice of Annual General Meeting.

Your Directors recommend that Shareholders carefully read this Explanatory Memorandum and the Notice of Annual General Meeting in full before making a decision in relation to any of the Resolutions. If Shareholders are in any doubt about what to do, they should consult their legal, financial or other professional adviser.

Item 1. Financial Statements and Reports

The Company’s Annual Report, for the period 1 July 2021 to 30 June 2022 is available on the Company’s website at www.dug.com and will be sent to Shareholders who have requested to receive a printed copy.

The Corporations Act requires that the Annual Report, Directors’ Report and Auditor’s Report be presented to the Meeting. Apart from the matters involving remuneration which are required to be voted upon, the Corporations Act does not require a vote of Shareholder at the Meeting on such reports or statements, however Shareholders will be given ample opportunity to raise questions with respect to these reports and statements at the Meeting.

The Annual Report and Directors’ Report will be tabled and discussed at the Meeting and the Directors will be available to answer questions from Shareholders. In addition, and as required under section 250RA of the Corporations Act, a representative of the Company’s auditors, Ernst & Young will be present to answer any questions about the conduct of the audit or the preparation and content of the Auditor’s Report.

A Shareholder Resolution is not required in respect of this item of business.

Item 2. Resolution 1 – Adoption of Remuneration Report

The Corporations Act requires listed entities to put a Remuneration Report relating to director and executive remuneration for each financial year to a resolution of members at their annual general meeting. The Remuneration Report for the Company is included in the Company’s 2022 Annual Report.

Under section 250R(3) of the Corporations Act, the vote on the Remuneration Report is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.

If, at 2 consecutive annual general meetings of the Company, 25% or more of the votes cast on a resolution that the Remuneration Report be adopted are against the adoption of the Remuneration Report, the Company will be required to put to Shareholders a resolution at the second annual general meeting proposing the calling of an extraordinary general meeting to consider the election of Directors of the Company (known as a “**spill resolution**”).

If more than 50% of Shareholders vote in favour of the spill resolution, the Company must convene an extraordinary general meeting (known as a “**spill meeting**”) within 90 days of the spill resolution. All of the Directors who were in office when the Remuneration Report (being, the report laid before the second annual general meeting) was approved by the Board (other than the Managing Director) will cease to hold office immediately before the end of the spill meeting but may stand for re-election at the spill meeting. Following the spill meeting, those persons whose re-election as Directors is approved will remain Directors of the Company.

The Company’s remuneration report for the financial year ended 30 June 2021 was adopted at the 2021 Annual General Meeting of the Company held on 14 October 2021 by more than 75% of the eligible votes cast.

In compliance with section 300A of the Corporations Act, the Remuneration Report sets out the Company’s policy for determining the nature and amount of remuneration for the Directors and specified executive officers of the Company. The Board has a policy of ensuring that remuneration paid to Directors and management is market competitive while at the same time aligned to the achievement of strategic objectives and the creation of value for Shareholders.

During this item of business, there will be opportunity for Shareholders at the Annual General Meeting to comment on and ask questions about the Remuneration Report.

Resolution 1 is proposed as an ordinary resolution and will be passed if more than 50% of the votes cast by Shareholders entitled to vote are in favour of that Resolution. However, please refer above for an explanation of the consequences of 25% or more of the eligible vote being cast against Resolution 1.

Shareholders’ attention is drawn to the voting exclusion statement in relation to Resolution 1 in the Notice of Annual General Meeting.

Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company as set out in the Remuneration Report, your Directors unanimously recommend that Shareholders vote in favour of Resolution 1.

Item 3. Resolution 2 – Re-election of Mr Mark Puzey as a Director

ASX Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

In accordance with Clause 49 of Company’s Constitution, Mr Puzey retires by rotation and being eligible, submits himself for re-election at the Annual General Meeting as a Director.

Mr Puzey spent 33 years with KPMG where his roles extended across internal and external audit, IT advisory, risk management, governance, strategy and business transformation; focussed on ASX listed companies. Mark was the Asia Pacific IT governance and strategy service line leader, primary partner in Australia providing IT service organisation audit opinions and national leader of product heads (IT advisory). Since retiring from the KPMG partnership he has performed Board and strategic advisory roles, particularly with technology enabled

companies as outlined in Mark Puzey's LinkedIn profile.

Mr Puzey is currently Deputy Chair and Audit & Risk Management Chair of Horizon Power, Chairman and Non-Executive Director of M8 Sustainable Ltd (ASX:M8S) and a Non-Executive Director of E3Sixty Ltd.

Mark is a Fellow of the Australian Institute of Company Directors (FAICD) and Fellow of Chartered Accountants ANZ (FCA). He is also Certified in the Governance of Enterprise IT (CGEIT).

Mr Puzey was appointed to the DUG Board on 9 June 2020 and is Chairman of the Audit and Risk Committee and a member of the Remuneration and Nomination Committee.

Recommendation

As Mr Puzey possesses highly relevant skills and experience, your Directors (other than Mr Puzey as an abstention) unanimously recommend that Shareholders vote in favour of Resolution 2.

Item 4. Resolution 3 – Appointment of Auditor to Fill Vacancy

Ernst & Young is the current auditor of the Company.

Following completion of a tender process, and upon the recommendation of the Audit and Risk Committee, the Board recommends that, subject to ASIC consenting to the resignation of Ernst & Young, the Company appoint Grant Thornton Audit Pty Ltd as the Company's external auditor.

Section 328B(1) of the Corporations Act requires the Company to obtain a nomination from a shareholder for Grant Thornton to be appointed as the Company's auditor. A copy of this nomination is attached to this Notice of Meeting as Annexure 'A'.

Grant Thornton confirms that it is unaware of any matter or circumstances that would give rise to a conflict of interest situation, as defined in section 324CD of the Corporations Act, in relation to the appointment. Further, for the purposes of section 327B of the Corporations Act, Grant Thornton has given its written consent to act as the Company's auditor subject to the approval of the Company's shareholders being obtained.

In accordance with section 329 of the Corporations Act, Ernst & Young has advised the Company that it has applied to ASIC for consent to resign as the Company's auditor with effect from the close of the Meeting. ASIC's consent to Ernst & Young's resignation is required under section 329(5) of the Corporations Act. If ASIC does not grant its consent, Ernst & Young will continue to hold office as the Company's auditor after the Meeting.

Subject to the approval of shareholders being obtained and ASIC granting its consent to the resignation of Ernst & Young, the appointment of Grant Thornton as auditor will take effect from the later of: (a) the close of the Meeting; or (b) the day on which ASIC gives its consent to the resignation of Ernst & Young as the current auditor of the Company

Recommendation

Your Directors unanimously recommend that Shareholders vote in favour of Resolution 3.

Item 5. Resolution 4 – Modification of the Company's Constitution

Background

A company may modify or repeal its Constitution or a provision of its Constitution by special resolution of Shareholders.

Resolution 4 will enable the Company to amend its existing Constitution to reflect developments in relation to the Corporations Act, the ASX Listing Rules and general corporate and commercial practice for ASX listed companies. Under section 136(2) of the Corporations Act, amendments to the Company's Constitution may only be made by a special resolution of shareholders. Therefore, Resolution 4 must be passed by at least 75% of the votes cast by Shareholders entitled to vote on the Resolution.

Recent changes to the Corporations act will now:

- (i) Permit companies to hold virtual meetings where the holding of such virtual meetings is expressly provided for in their constitution; and
- (ii) Permit companies to send meeting-related documents to shareholders by sending the member sufficient information in electronic form to allow the member to access the document electronically; and
- (iii) Require certain resolutions put to a vote at a general meeting to be decided on a poll.

The Company seeks to update the Constitution addressing these changes to the Corporations Act.

Further amendments to the Constitution are proposed as the ASX has indicated that it is planning to replace the current Australian Clearing House Electronic Subregister System (CHES) in 2023, with a new system that uses distributed ledger technology (eg blockchain technology), which is to be known as the ASX Clearing and Settlement Platform (CSP).

The amended Constitution is broadly consistent with the provisions of the existing constitution and many of the proposed changes are minor or administrative. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A copy of the Constitution showing the proposed amendments is available on the Company's website at www.dug.com/investor-centre/corporate-governance/. A printed copy can be obtained, at no charge, by contacting the Company Secretary on +61 8 9287 4100.

Summary of material proposed amendments to the current Constitution

The proposed amendments to the Company's constitution are summarised below.

Execution of documents (clause 2)

The interpretation provision is amended to provide for electronic execution of documents to the extent permitted by the Corporations Act, Listing Rules and applicable laws.

Registered Holders (clause 9(b))

The CHES system, which is used by the ASX to record shareholdings, can currently recognise up to three individuals as joint holders of a share. Currently, clause 9 of the Company's Constitution states that the Company is not bound to register more than three persons as holders of shares.

CHES is currently being replaced by ASX with a projected go-live date of April 2023. As part of the CHES replacement, the registration system will be modernised to record holder registration details in a structured format that will allow up to four joint holders of a security. Accordingly, the Company proposes to amend its Constitution to allow that it can register up to four individuals as joint holders.

Voting at meeting of Shareholders (clause 37)

Clause 37 is amended to require certain resolutions to be decided on a poll.

Direct Voting (clauses 1, 37, 40 and 47)

Voting rights of Shareholders at meetings is amended to allow Shareholders to exercise their voting rights through direct voting (in addition to exercising their existing rights to appoint a proxy). Direct voting is a mechanism by which Shareholders can vote directly on resolutions which are to be determined by poll. Votes cast by direct vote by a Shareholder are taken to have been cast on the poll as if the Shareholder had cast the votes on the poll at the meeting. The Board may determine the rules and procedures in relation to the giving of direct votes.

Virtual Meeting Technology (clauses 1, 2, 29, 31, 46, 62 and 63)

Amendments to various sections of the Constitution to allow the Company to hold a meeting of Shareholders using virtual meeting technology.

Payment (clause 71)

Clause 71 is amended to clarify that electronic fund transfer may be used by the Company to pay a person entitled to an amount payable in respect of a Share. Further, the amendments provide that all amounts payable in respect of a Share that are unclaimed may be invested or otherwise used by the Board for the benefit of the company until claimed or otherwise dealt with according to the law.

Notice (clauses 73 and 75)

Clause 72 is amended to allow the Company to send notices of meeting and any other information provided with that notice to Shareholders by electronic communication and technology.

Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 4.

The terms and conditions of the ZEPOs are set out in Annexure 'B' to this Explanatory Memorandum.

Vesting Conditions

A Vesting Notice in respect of the ZEPOs must be given by the Company when the relevant Vesting Condition(s) set out below have been satisfied or waived in accordance with the LTIP rules.

The ZEPOs will vest:

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of ZEPOs to Dr Lamont, under the LTIP, requires the Company to obtain Shareholder approval because this constitutes giving a financial benefit and, as Dr Lamont is a Director, he is a related party of the Company.

It is the view of the Company that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of the ZEPOs to Dr Lamont as the exception in section 211 of the Corporations Act applies. The ZEPOs are considered reasonable remuneration for the purposes of section 211 of the Corporations Act.

Section 200B and 200E of the Corporations Act

Dr Lamont occupies a managerial or executive office with the Company within the meaning of section 200AA of the Corporations Act.

Section 200B of the Corporations Act generally provides that, subject to specific exceptions, Shareholder approval is required for the giving of benefits to a person occupying a managerial or executive office with the Company in connection with their retirement from a managerial or executive office.

The term 'benefits' is widely defined and may include benefits resulting from the Board exercising certain discretions under LTIP, including the discretion to waive vesting conditions.

The LTIP, and the terms and conditions of grant of the ZEPOs under the LTIP to Dr Lamont (or his nominee) contain provisions which may operate to entitle him (or his nominee) to vesting of ZEPOs earlier and/or in different circumstances than might otherwise be the case in connection with their ceasing to hold a managerial or executive office with the Company. The vesting conditions are subject to the Board exercising their discretion to allow such exercise (whether by waiving conditions of exercise or extending the period for exercise or otherwise).

Accordingly, the retirement benefit that may be given under the LTIP is a waiver of exercise conditions in relation to ZEPOs in certain circumstances upon termination of employment or office with the Company.

The value of any such benefits which may be given to Dr Lamont (or his nominee) cannot presently be ascertained but matters, events and circumstances that will, or are likely to, affect the calculation of that value include:

- (a) the number of ZEPOs held by Dr Lamont prior to cessation of employment;
- (b) the number of ZEPOs that vest early;
- (c) the price of Shares on the ASX on the date of calculation;
- (d) the status of any vesting conditions or other conditions for the ZEPOs the time of ceasing to hold a managerial or executive office with the Company; and
- (e) Dr Lamont's length of service and reasons for ceasing to hold a managerial or executive office with the Company.

Accordingly, Shareholder approval is sought under sections 200B and 200E of the Corporations Act to the giving of any benefit to Dr Lamont in connection with his future cessation of office or position with the Company under the terms of the LTIP (or terms and conditions of grant) in relation to the ZEPOs, including as a result of any future exercise of a discretion by the Board under the terms of the Plan or the terms and conditions of the Board Performance Options.

ASX Listing Rule 10.14

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme without the approval of its shareholders:

- (a) a director of the company (Listing Rule 10.14.1);
- (b) an associate of a director (Listing Rule 10.14.2); and
- (c) a person whose relationship with the company or a person referred to in Listing Rules 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its Shareholders (Listing Rule 10.14.3).

Dr Lamont falls into the category stipulated by Listing Rule 10.14.1 by virtue of being a Director of the Company. Accordingly, the Company is seeking Shareholder approval for the issue of the ZEPOs.

If Shareholders approve the issue of the ZEPOs pursuant to Listing Rule 10.14, the Company is not required to obtain Shareholder approval under Listing Rule 7.1, and as a result the issue of the ZEPOs will not count towards the Company's placement capacity.

If Resolution 5 is passed, the Company will be able to proceed with the issue of the ZEPOs to Dr Lamont (or his nominees).

If Resolution 5 is not passed, the Company will not be able to proceed with the issue of ZEPOs to Dr Lamont (or his nominees) and the Company will need to consider whether an alternative incentive is to be offered.

ASX Listing Rule 10.15

In accordance with Listing Rule 10.15, the following information is provided in relation to the proposed issue of the ZEPOs:

- (a) The ZEPOs will be issued under the LTIP to Dr Lamont (or his nominees).
- (b) Dr Lamont falls into the category stipulated by Listing Rule 10.14.1 by virtue of being a Director of the Company.
- (c) The total number of ZEPOs proposed to be issued to Dr Lamont (or his nominees) is 381,352.
- (d) Details of Dr Lamont's remuneration package is set out at page 21 of the Annual Report FY22. In addition to this base salary, Dr Lamont is entitled to a short term incentive of up to 20% of his base salary and a long term incentive of up to 20% of his base salary, subject to achieving performance targets. Dr Lamont's base salary (excluding share-based payments) for the current financial year:

Dr Matthew Lamont	Annual Base Salary and Fees (A\$)	Car allowance (after-tax) (A\$)	Superannuation (A\$)
FY22 (Actual)	490,800	38,400	23,568
FY23 (Estimate)	490,800	38,400	25,292

- (e) Only loan funded shares have been previously offered to Dr Lamont under the LTIP. Details of the loan funded shares are summarised in the table below:

Year	Opening Balance	Grant Date	Shares Awarded	Vesting Date	Issue Price	Lapsed and not Vested	Closing Balance	Vested & Exercisable
2021	539,190	3 July 2020	37,267	30/06/23	A\$1.35	-	576,457	539,190
2020	741,478	-	N/A	N/A	N/A	202,288	539,190	539,190

All shares previously issued under the Company's employee incentive plan preceding the LTIP, were fully vested on admission of the Company to the ASX on 10 August 2020.

- (f) The ZEPOs will be issued on the terms and conditions in Annexure 'B'.
- (g) The Company considers that the issue of ZEPOs, rather than Shares, are a reasonable and appropriate form of incentive on the basis that:
- (i) ZEPOs retain and reward Dr Lamont for the achievement of business objectives;
 - (ii) Shareholders can readily ascertain and understand the performance milestones which are required to be satisfied for the ZEPOs to vest and the number of shares to which they relate; and
 - (iii) the non-cash form of this benefit allows the Company to spend a greater proportion of its cash reserves on its operation than it would if alternative cash forms of remuneration were given.
- (h) The value of the ZEPOs proposed to be granted to Dr Lamont and the pricing methodology is set out in Annexure 'C'.
- (i) The ZEPOs will be issued to Dr Lamont as soon as practicable following the Meeting and this will, in any event, be no later than 3 years from the date of the meeting.
- (j) The ZEPOs will be issued for nil cash consideration and will be provided as an incentive component to Dr Lamont's remuneration package.
- (k) A summary of the material terms of the LTIP is set out in Annexure 'D'.
- (l) No loan will be made to Dr Lamont (or his nominees) in respect to the issue of the ZEPOs.
- (m) Details of any securities issued under the LTIP will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.
- (n) Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the LTIP after the resolution is approved and who were not named in this Notice of Meeting will not participate until approval is obtained under Listing Rule 10.14.
- (o) A voting exclusion statements is included in this Notice of Meeting.

Recommendation:

The Board (with Dr Lamont abstaining) recommend you vote in favour of Resolution 5.

Item 7. Resolution 6 – Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued capital over a 12 month period after the Annual General Meeting at which a resolution for the purposes of Listing Rule 7.1A is passed by special resolution (**Additional 10% Placement Capacity**). The Additional 10% Placement Capacity is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An entity will be eligible to seek approval under Listing Rule 7.1A if:

- (a) the entity has a market capitalisation of \$300 million or less; and
- (b) the entity is not included in the S&P ASX 300 Index.

As at the date of this Notice the Company is an eligible entity for the purposes of Listing Rule 7.1A as it is not included in the S&P ASX 300 Index and has a current market capitalisation of approximately \$59M (based on the number of Shares on issue and the closing price of Shares on ASX on 10 October 2022).

The number of Equity Securities to be issued under the Additional 10% Placement Capacity will be determined in accordance with the formula set out in Listing Rule 7.1A.2.

Resolution 6 seeks Shareholders' approval to issue additional Equity Securities under the Additional 10% Placement Capacity. The approval of the Additional 10% Placement Capacity provides greater flexibility for the Board to issue shares in the 12-month period following the AGM.

The Company obtained Shareholder approval to make issues under ASX Listing Rule 7.1A at its 2021 AGM ("**Previous Approval**"). This Previous Approval will lapse on the earlier of Monday 17 October 2022 (the date of the first business day that is 12 months after the date of the 2021 AGM at which the approval is obtained) or the time and date of the 2022 AGM. The Company has not issued, or agreed to issue, any securities under the 10% Placement Facility approved by Shareholders at the 2021 AGM.

The Company seeks to refresh the shareholder approval so as to continue to be able to make issues under the 10% Placement Facility after the Meeting in accordance with ASX Listing Rule 7.A

Technical information required by ASX Listing Rule 14.1A

The effect of Resolution 6 will be to permit the Company to issue the Shares under Listing Rule 7.1A during the Additional Placement Period (as defined below) without using the Company's 15% placement capacity under Listing Rule 7.1.

If Resolution 6 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Listing Rule 7.1A

Any Equity Securities issued under the Additional 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the Company.

At the date of this Notice, the Company has 118,123,386 Shares on issue (A in the formula below) and therefore, subject to Shareholder approval being obtained under Resolution 6, based on current circumstances 11,812,338 Shares will be permitted to be issued in accordance with Listing Rule 7.1A. The number of Shares that may be issued is calculated in accordance with the following formula:

(A x D) - E

- A** is the number of ordinary securities on issue 12 months before the date of issue or agreement:
- (a) plus the number of fully paid ordinary securities issued in the 12 months under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;
 - (b) plus the number of fully paid ordinary securities issued in the previous 12 months on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued more than 12 months before; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or 7.4;
 - (c) plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (i) the agreement was entered into more than 12 months before; or
 - (ii) the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4;
 - (d) plus the number of partly paid shares that became fully paid in the previous 12 months;
 - (e) plus the number of fully paid ordinary securities issued in the previous 12 months with approval of holders of fully paid ordinary securities under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid ordinary securities under the entity's 15% placement capacity without Shareholder approval;
 - (f) less the number of fully paid Shares cancelled in the 12 months.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months immediately preceding the date of the issue or agreement to issue, where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

Shareholders should note that the calculation of the number of Equity Securities permitted to be issued under the Additional 10% Placement Capacity is a moving calculation and will be based on the formula set out in Listing Rule 7.1A.2 at the time of issue of the Equity Securities.

The table below demonstrates various examples as to the number of Equity Securities that may be issued under the Additional 10% Placement Capacity.

Resolution 6 is a special resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) in order to be passed.

Specific information required by Listing Rule 7.3A

The following information in relation to the Equity Securities proposed to be issued is provided to Shareholders for the purposes of Listing Rule 7.3A:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the volume weighted average price for the Company's Equity Securities over the 15 Trading Days on which trades in the class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

- (b) If Resolution 6 is approved by shareholders and the Company issues Equity Securities under the Additional 10% Placement Capacity, shareholders who do not participate (either because they are not invited to participate or because they elect not to participate) in any such issue, will have their existing interest and voting power in the Company diluted. There is also a risk that:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the AGM; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities under the Additional 10% Placement Capacity.

The table below shows the dilution of existing Shareholders upon the issue of the maximum number of Shares under the Additional 10% Placement Capacity, using different variables for the number of ordinary securities for variable 'A' (as defined in Listing Rule 7.1A) and the market price of the Shares. It is noted that variable 'A' is based on the number of ordinary securities the Company has on issue at the time of the proposed AGM.

The table shows:

- (i) examples of where variable 'A' is at its current level, and where variable 'A' has increased by 50% and by 100%;
- (ii) examples of where the issue price of Shares is the current market price as at close of trade on 10 October 2022, being \$0.50, (current market price), where the issue price is halved, and where it is doubled; and
- (iii) that the dilutionary effect will always be 10% if the maximum number of Equity Securities that may be issued under the Additional 10% Placement Capacity are issued.

Variable 'A'	Number of Shares issued and funds raised under the Additional 10% Placement Capacity and dilution effect	Dilution		
		\$0.25 Issue Price at half the current market price	\$0.50 Issue Price at current market price	\$1.00 Issue Price at double the current market price
Current Variable 'A' 118,123,386 Shares	Shares issued	11,812,338	11,812,338	11,812,338
	Funds raised	\$2,953,084	\$5,906,169	\$11,812,338

	Funds raised	\$5,906,169	\$11,812,338	\$23,624,677
	Dilution	10%	10%	10%

Note: The table above assumes:

- (i) There are currently 118,123,386 Shares on issue.
 - (ii) The issue price set out above is the closing price of the Shares on the ASX on 10 October 2022.
 - (iii) The Company issues the maximum possible number of Equity Securities under the Additional 10% Placement Capacity.
 - (iv) The Company has not issued any Equity Securities in the 12 months period prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1
 - (v) The issue of Shares under the Additional 10% Placement Capacity consists only of Shares. It is assumed that no Options or other convertible securities are exercised into Shares or Shares are otherwise issued before the date of issue of the Equity Securities.
 - (vi) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own individual shareholding depending on their specific circumstances;
 - (vii) This table does not set out any dilution pursuant to approvals under Listing Rule 7.1;
 - (viii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - (ix) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Capacity, based on that Shareholder's holding at the date of the AGM.
- (c) Approval of the Additional 10% Placement Capacity will be valid during the period (Additional Placement Period) from the date of the AGM and will expire on the earlier of:
- (i) the date that is 12 months after the date of the AGM;
 - (ii) the time and date of the Company's next AGM; and

- (iii) the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (d) The Equity Securities must be issued for cash consideration and the Company intends to use the funds raised by any issue under rule 7.1A.2 for business development and growth opportunities and for general working capital purposes.
- The Company will comply with the disclosure obligations under Listing Rules 2.7, 3.10.3 and 7.1A(4) upon issue of any Equity Securities under the 10% Placement Capacity.
- (e) The identity of the persons to whom Equity Securities will be issued is not yet known and will be determined on a case by case basis having regard to market conditions at the time of the proposed issue of Shares, including consideration of matters including, but not limited to:
- (i) the purpose of the issue;
 - (ii) the ability of the Company to raise funds via alternative methods and structures at the time of the proposed issue of Equity Securities, including but not limited to, an entitlement offer, or a placement and an entitlement offer;
 - (iii) the dilutionary effect of the proposed issue of the Equity Securities on existing shareholders at the time of proposed issued of Shares;
 - (iv) the effect of the issue of Equity Securities on the control of the Company;
 - (v) the circumstances of the Company, including but not limited to the financial position and solvency of the Company;
 - (vi) prevailing market conditions; and
 - (vii) advice from its professional advisers, including corporate, financial and broking advisers (if applicable).
- The persons to whom the Equity Securities will be issued under the Additional 10% Placement Capacity have not been determined as at the date of this Notice, but will not include related parties (or their associates) of the Company.
- (f) The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its Annual General Meeting held on 14 October 2021. The Company has not issued any Equity Securities pursuant to the Previous Approval.
- (g) When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it will give to ASX:
- (i) list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
 - (ii) the information required by Listing Rule 7.1A.4 for release to the market.

A voting exclusion statement is included in the Notice of Meeting. As at the date of this notice, the Company has no current plans to undertake a new capital raising under the Additional 10% Placement Capacity and has therefore not approached, and has not yet determined to approach, any particular existing security holders or an identifiable class of existing security holders to participate in an offer, therefore no existing security holders' votes would be excluded under the voting exclusion statement included in this Notice

Recommendation

The Board unanimously recommend that Shareholders vote in favour of Resolution 6.

A Notice of Exercise is only effective on and from the date of receipt of the Notice of Exercise (“**Exercise Date**”).

(l) **Exercise of Awards**

Following the deemed issue of a Confirmation Notice in respect of an Award, a participant may exercise that Award by:

- i. delivering an Exercise Notice to (or as directed by) the Company; and

at any time:

- i. between the date of provision (or deemed date of provision) of the Confirmation Notice and the Expiry Date relating to that Award; and
- ii. when the participant is permitted to exercise Awards under the Securities Trading Policy.

If the participant does not exercise their Award by the Expiry Date, that Award will automatically lapse and be forfeited.

(m) Settlement Mechanism

All Awards will be Equity Settled only and not Cash Settled.

As soon as practicable after the valid exercise of an Award the Company will arrange for the requisite number of Resulting shares to be issued. The Company may fulfil a validly exercised Award by issuing, allocating and/or causing to be transferred the number of Shares to which the participant is entitled.

(n) Resulting Shares to rank pari passu

All Resulting Shares issued on exercise of the Options will rank pari passu in all respects with the Shares of the same class for the time being on issue except for any rights attaching to the Shares by reference to a record date prior to the date of the allotment or transfer of the Resulting Shares.

(o) Listing

The Company will apply for quotation on the ASX of the Resulting Shares issued within the time required by the ASX Listing Rules after the date of allotment.

(p) Adjustment of Awards

Clause 9 of Schedule 2 of the Plan Rules sets out how Awards will be adjusted upon.

- i. a reconstruction of the issued capital in the Company (including any subdivision, consolidation, reduction or cancellation of such issued capital);
- ii. a bonus issue of Shares; and
- iii. a rights issue.

(q) Participation in new issues

Subject to clauses 9.1 to 9.3 (inclusive) of Schedule 2 of the Plan Rules, during the currency of any Awards and prior to their exercise, the holders of Awards are not entitled to participate in any new issues of Shares of the Company as a result of their holding of Awards.

(r) Employee Share Trust

The Company may require the participant to hold any Resulting Shares via an employee share trust. Under an employee share trust structure, the trustee of the employee share trust would be registered as the legal owner of the Resulting shares but the participant would be the beneficial owner. All dividends on the Resulting Shares will be provided to the participant and the participant will have the ability to control voting.

Annexure C – Evaluation method

The Company commissioned the preparation of an independent valuation of the ZEPOs. The ZEPOs to be issued to Dr Lamont pursuant to Resolutions 6 have been valued by an external accounting firm. The value was determined according to AASB 2: Share Based Payments at a deemed grant date of 30 September 2022.
