Share Purchase Plan
Letter to Eligible Shareholders

25 October 2024

Dear Shareholders

Invitation to participate in Share Purchase Plan

On behalf of the board of DUG Technology Ltd (ASX: DUG) (**DUG** or **the Company**), I am pleased to offer you the opportunity to participate in the DUG share purchase plan (**SPP**) which was announced on 17 October 2024. The SPP provides you with an opportunity to acquire up to A\$30,000 worth of DUG's ordinary shares (**SPP Shares**) at \$1.90 per Share (**Issue Price**), without paying any brokerage costs, commissions or other transaction costs.

DUG is targeting to raise up to approximately \$5 million under the SPP with the capacity to accept oversubscriptions above that amount, or to scale back applications at its absolute discretion. The SPP is not underwritten.

The SPP is part of a broader capital raising being undertaken by DUG. As announced to ASX on 17 October 2024 the Company received strong support via binding commitments to raise approximately \$30.2 million (before costs) in a two-tranche placement to eligible institutional, sophisticated and professional investors and Directors of the Company (**Placement**). The first tranche of the Placement has raised \$30 million (before costs) and the second tranche is anticipated to complete on 22 November 2024, subject to shareholder approval.

Proceeds of the Placement and the SPP will be used to:

- accelerate the Company's growth trajectory, including expanding the capacity of the Houston data centre, starting the office in the Middle East and the DUG Nomad initiative; and
- to prepare the data centre for receiving more compute (when business dictates), infrastructure including a cooling tower, a power transformer and further electrical infrastructure need to be installed.

Significant investment has been made in establishing the Abu Dhabi office this calendar year. The outlook is very exciting; it is now time to fit out the new office, amongst other expenditures.

Finally, the DUG Nomad initiative is delivering strong leads based on the two prototypes that have been built and demonstrated in the US and Australia. The Company now needs to turn leads into sales and prototypes into production including a small inventory.

SPP Booklet

The SPP is subject to the terms and conditions set out in the SPP booklet (**SPP Booklet**). A copy of the SPP Booklet was lodged with ASX today. The Company encourages you to carefully read the SPP Booklet in full before making your investment decision, noting that you will be bound by the terms and conditions in the SPP Booklet if you choose to participate.

A copy of the SPP Booklet, along with instructions on how to apply for the SPP and submit your payment, is available online at www.computersharecas.com.au/dugspp.

About the SPP

Pursuant to the SPP, eligible shareholders may apply for a maximum of \$30,000 worth of SPP Shares by selecting one of the following options:

Parcel	SPP Application Amount	Number of SPP Shares
A	\$1,000	526
B	\$2,500	1,315
C	\$5,000	2,631
D	\$7,500	3,947
E	\$10,000	5,263
F	\$12,500	6,578
G	\$15,000	7,894
H	\$17,500	9,210
I	\$20,000	10,526
J	\$22,500	11,842
K	\$25,000	13,157
L	\$27,500	14,473
M	\$30,000	15,789

The above table summarises the number of SPP Shares that would be issued for different application amounts (assuming there is no scale back of applications). Where the amount applied for results in a fraction of a Share, the number of SPP Shares issued will be rounded down to the nearest whole number. All SPP Shares issued under the SPP will rank equally with existing Shares.

If you decide to participate in the SPP, you will have the opportunity to increase your DUG shareholding at the Issue Price, being the same price paid by institutional and Sophisticated investors under the Placement which represents a discount of;

- 12.8% to the closing price of Shares on Tuesday, 15 October 2024; and
- 15.3% to the 10-day VWAP up to and including Tuesday, 15 October 2024.

Eligible Shareholders

Participation in the SPP is optional and is open to eligible shareholders who are registered holders of Shares on the Record Date (being 4.00pm (AWST) on Wednesday, 16 October 2024) with a registered address on the register in Australia or New Zealand (**Eligible Shareholders**). Certain Eligible Shareholders who are custodians holding Shares on behalf of certain beneficiaries are also invited to participate in the SPP on the terms and conditions set out in this SPP Booklet.

Shareholders in the United States are not eligible to participate in the SPP. Similarly, Shareholders (including trustees, custodians and nominees) who hold Shares on behalf of persons in the United States or are acting for the account or benefit of persons in the United States, are not eligible to participate in the SPP on behalf of those persons.

DUG will not issue SPP Shares to an applicant if those Shares, either alone or in conjunction with the issue of Shares under other applications received by DUG, would contravene any law or the ASX Listing Rules.

Important information regarding potential scale-back in the SPP

DUG is targeting to raise up to approximately \$5 million under the SPP. However, DUG may decide to accept applications (in whole or in part) that result in the SPP raising more or less than that target amount at its absolute discretion.

In the event of a scale-back, each applicant will be treated equally and will be scaled-back pro-rata based on the number of Shares for which they have applied (subject to any minimum dollar allocation determined by DUG at its absolute discretion).

In the event of a scale-back, you may be allocated Shares to a value which is significantly less than the parcel for which you applied. Should this happen, the balance of any application monies not applied to acquire SPP Shares will be refunded to you, without interest.

If a scale back produces a fractional number of SPP Shares when applied to your parcel, the number of SPP Shares you will be allotted will be rounded down to the nearest whole number of Shares.

How to apply

Eligible Shareholders may participate in the SPP by:

- making a payment directly by BPAY® payment by following the steps outlined in the SPP available online at www.computersharecas.com.au/dugspp (you do not need to return an Application Form under this option).
- For Eligible Shareholders with a registered address in New Zealand or for Eligible Shareholders with a registered address in Australia who are unable to Pay via BPAY® or access the website to complete the online application, please contact Computershare via the Information Line on 1300 850 505 (callers within Australia) or +61 3 9415 4000 (callers outside Australia) between 8:30am and 5:00pm (AEDT), Monday to Friday, to obtain Electronic Funds Transfer “EFT” payment instructions.

The SPP is scheduled to close at 2.00pm AWST on Thursday 14 November 2024, by which time we must receive your application and payment.

A scale back may be applied to the extent and in the manner the Company sees fit, which may include taking into account a number of factors, such as the size of an applicant's shareholding at the Record Date, the extent to which the applicant has sold or purchased Shares since the Record Date, whether the applicant has multiple registered holdings, the date on which the Application was made and the total Applications received from Eligible Shareholders. Therefore, you may receive less than the parcel of Shares for which you have applied. Should this happen, the balance of any Application Money that is not applied to acquire Shares will be refunded to you, without interest.
2. **Is participation in the SPP compulsory?**

No. Participation in the SPP is voluntary.

Before you decide whether to participate in the SPP, the Company recommends you seek independent financial advice from your stockbroker, accountant or other professional adviser.

3.3 Joint Holders/Custodians

- (a) If two or more persons are registered on the Register as jointly holding Shares, they are taken to be a single registered holder of Shares for the purposes of determining whether they are an Eligible Shareholder and a certification given by any of them is taken to be a certification given by all of them. If the same joint holders receive more than one offer under the SPP Offer due to multiple registered holdings, the joint holders may only apply for Shares up to a maximum of \$30,000 under the SPP Offer.
- (b) Subject to these terms and conditions, Eligible Shareholders who are Custodians may participate in the SPP on behalf of each Eligible Beneficiary on whose behalf the Custodian is holding Shares.

3.4 Applying for SPP Shares

- (a) Eligible Shareholders may apply for a parcel of SPP Shares valued at \$1,000, \$2,500, \$5,000, \$7,500, \$10,000, \$12,500, \$15,000, \$17,500, \$20,000, \$22,500, \$25,000, \$27,500 or \$30,000.
- (b) No brokerage or other transaction costs will apply to the acquisition of SPP Shares.
- (c) Eligible Shareholders who wish to apply for SPP Shares must either:
 - apply online at www.computersharecas.com.au/dugspp
 - (i) and make a payment via BPAY in accordance with the online instructions, so that payment is received prior to the Closing Date; or
 - (ii) contact Computershare via the Information Line on 1300 850 505 (callers within Australia) or +61 3 9415 4000 (callers outside Australia) to obtain Electronic Funds Transfer “EFT” payment instructions and making a payment via EFT so that payment is received prior to the Closing Date.
- (d) The SPP Offer must comply with the limit in the ASIC Instrument. Under the ASIC Instrument, Eligible Shareholders may only acquire a maximum of \$30,000 worth of Shares under a security purchase plan in any 12-month period. This means that you are not permitted to acquire more than \$30,000 worth of Shares in aggregate, even if you receive more than one Application Form or hold Shares in more than one capacity (e.g. if you are both a sole and joint holder of Shares).
- (e) If you wish to subscribe for SPP Shares as a Custodian for one or more Eligible Beneficiaries, you must also complete and submit an additional Custodian Certificate that contains further certifications and details (required under the terms of the ASIC Instrument before your Application will be accepted. Applications by Custodians that are not accompanied by a duly completed Custodian Certificate will be rejected. Contact the Registry on 1300 850 505 (callers within Australia) or +61 3 9415 4000 (callers outside Australia) to receive the Custodian Certificate.

The Company, its officers and agents, may accept or reject your Application for SPP Shares at its discretion in whole or in part including, without limitation, if:

- (i) your Application does not comply with these terms and conditions;
- (ii) it appears you are not an Eligible Shareholder;
- (iii) your application and/or BPAY or EFT payment is not received by the Registry by the Closing Date;

- (iv) if you apply on behalf of an Eligible Beneficiary but do not provide a signed Custodian Certificate;
 - (v) if you apply on behalf of an Eligible Beneficiary but provide an incomplete or incorrectly completed Custodian Certificate;
 - (vi) payment via BPAY or EFT is dishonoured or has been incorrectly completed;
 - (vii) you have applied for less than \$1,000 worth of SPP Shares;
 - (viii) it appears that you are applying to purchase more than \$30,000 worth of SPP Shares in aggregate (including as a result of Shares you hold directly, jointly or through a custodian or nominee arrangement) in the 12 months period prior to making the Application; or
 - (ix) payment of the Application Monies is not submitted in Australian currency.
- (f) If the Company rejects your Application in whole or in part, the Company will (in its sole discretion):
- (i) refund the amount of your Application Monies applied to payment for SPP Shares; or
 - (ii) allot to you the number of SPP Shares that would have been allotted had you applied for the highest designated amount that is less than the amount of your Application Monies and refund to you the excess amount of your Application Monies.

If you are entitled to a refund of all or any of your Application Monies, the refund will be paid to you, without interest, as soon as is practicable, by direct credit or cheque to your address shown on the Register, in accordance with the requirements of the Corporations Act.

3.5 Issue Price of SPP Shares under the SPP Offer

- (a) The Issue Price under the SPP is \$1.90 per Share, being the same price paid by sophisticated and institutional investors under the Placement announced on 17 October 2024.
- (b) For the purposes of paragraph 7(e)(i) of the ASIC Instrument, the Issue Price was calculated by reference to the Issue Price paid by investors under the Placement.
- (c) In accordance with the requirements of the ASIC Instrument, the Company confirms that the Issue Price is lower than the market price of the Company's Shares during a "specified period" (being the 7 trading days immediately prior to the announcement date of the SPP Offer).
- (d) The market price or value of Shares is subject to market volatility. The market price of the Shares in the Company may rise and fall between the date of the SPP Offer and the date that any Shares are allotted to you as a result of your acceptance of the SPP Offer. If you apply to participate in the SPP Offer, you are accepting the risk that the market price of Shares may change between the time you make your Application and the date that the Shares are allotted.
- (e) The current Share price can be obtained from the ASX, www.asx.com.au (ASX code: DUG) and is listed in the financial and business section of major daily

newspapers circulating in Australia.

- (f) You agree to pay the Issue Price per SPP Share for the number of SPP Shares you have applied for or, if there is a scale-back, the number of SPP Shares calculated under clause 3.10.

3.6 Risks

Subscription for Shares under the SPP Offer is a speculative investment and the market price may change between the date you apply for Shares and the issue of Shares to you. Accordingly, the value of Shares applied for is likely to rise or fall. Importantly, there is a risk that during the period between when you apply for Shares and when the Shares are issued to you, the price at which Shares are traded on the ASX may be less than the Issue Price payable under this SPP Offer.

This document is not a prospectus or product disclosure statement, and has not been lodged with ASIC. The issue of a prospectus or product disclosure statement is not required for the purposes of the SPP Offer. This document does not contain the types of disclosure required to be contained in a prospectus or product disclosure statement. You must rely on your own knowledge of the Company, previous disclosures made by the Company to the ASX (including disclosure regarding the risks of making an investment in the Company) and, if necessary, consult your financial or other professional adviser when deciding whether or not to participate in the SPP Offer.

The Investor Presentation contains a summary of key risks attaching to an investment in new Shares. If any of the risks eventuate, they could have a material adverse effect on DUG's business, financial condition, operating and financial performance and return to Shareholders. The key risks set out in the Investor Presentation are not exhaustive. Additional risks that DUG is unaware of, or that DUG currently considers to be immaterial, also have the potential to have a material adverse effect on DUG's business, financial condition and operating and financial performance. Potential investors should carefully consider all publicly available information (including this announcement and the risk factors set out within) concerning DUG and whether DUG Shares are suitable to acquire having regard to their own investment objectives and financial circumstances.

3.7 Number of SPP Shares to be issued

If you apply for Shares under the SPP Offer, you will apply for a certain value, rather than a certain number, of Shares.

Subject to the terms and conditions in this Booklet, the number of Shares you will be issued under the SPP Offer will be determined by:

- (a) if there is no scale back, dividing the value of your Application Monies by the Issue Price; or
- (b) if there is a scale back, dividing the value of the amount of Shares issued to you by the Issue Price.

If this calculation produces a fractional number, the number of Shares issued will be rounded down to the nearest whole number of Shares (refer to section 3.10 for more information on rounding).

3.8 Issue of SPP Shares

- (a) SPP Shares will rank equally in all respects with existing Shares quoted on the ASX, with the same voting rights and other entitlements.

- (b) The Company will apply to ASX for quotation of SPP Shares. It is anticipated that the SPP Shares will be quoted on or shortly after the Issue Date.

 - A. you are a Custodian (as that term is defined in the ASIC Instrument);

- (m) you authorise the Company, and its officers and agents, to do anything on your behalf necessary for SPP Shares to be issued to you in accordance with these terms and conditions;

- (n) you acknowledge that the Company may at any time irrevocably determine that your Application is valid, in accordance with the terms and conditions of the SPP, even if the Application Form is incomplete, contains errors or is otherwise defective; and
- (o) you authorise the Company, and its officers and agents, to correct minor or easily rectified errors in, or omissions from, your Application Form and to complete the Application by the insertion of any missing minor detail.

3.10 Scale-Back

- (a) In the event that subscriptions for more than \$5 million are received for the SPP, the Company may decide in its absolute discretion to conduct a scale-back of applications.
- (b) The scale-back may be applied to the extent and in the manner the Company sees fit, which may include taking into account a number of factors, such as the size of an applicant's shareholding at the Record Date, the extent to which the applicant has sold or purchased shares since the Record Date, whether the applicant has multiple registered holdings, the date on which the application was made and the total applications received from eligible shareholders.
- (c) If there is a scale-back you may receive less than the parcel of SPP Shares for which you have applied.
- (d) If a scale-back produces a fractional number of SPP Shares when applied to your parcel, the number of SPP Shares you will be allotted will be rounded down to the nearest whole number of SPP Shares.
- (e) In the event of a scale-back the difference between the Application Monies received, and the number of SPP Shares allocated to you multiplied by the issue price, will be refunded to you without interest by direct deposit (to your nominated account as recorded on the register of the Company) or by cheque, without interest, as soon as practicable following the issue of the SPP Shares.
